

Dear Students, Parents and Guardians,

Re: **SCOER Calahoo Meats Fundraiser**

WHAT IS SCOER AND WHY ARE WE FUNDRAISING?

SCOER is Paul Rowe's Student Council of Elected Representatives. We are a group of students who plan activities for all students in the school under the guidance of a staff representative. Throughout the school year, SCOER plans activities for the major holidays, theme days, contests, games, and we also like to do things to celebrate and motivate students.

To help us with being able to purchase materials, resources and prizes or student incentives, we are doing a Calahoo meat fundraiser. We are encouraging all students to help us with this fundraiser so that we can make 2022-2023 the best school year yet!

HOW TO PLACE ORDERS:

The fundraiser is easy!

- 1) **Just take orders (one order form per customer) and collect payment.**
Inform customers that, due to potential food safety issues, customers are asked to pick up their orders from the school on delivery day (or make alternate arrangements).
All cheques should be made payable to: Paul Rowe Jr./Sr. High School
- 2) **Turn in your order forms with payments to the school office by Wed., Nov. 2nd.**
- 3) **Orders will arrive on the estimated delivery date: Tuesday, November 22nd.**
Students/parents will not be asked to deliver orders.

NEED MORE ORDER FORMS?

More order forms can be picked up from the school office OR can be printed from our school website at: <https://www.paulrowehigh.ca/documents/school-fundraisers>

STUDENT INCENTIVES:

- For each \$50 sold by a student, their name will be entered into a draw for \$50 in Manning Board of Trade bucks.
- The top seller in the school will receive \$50 in Manning Board of Trade bucks.

THANK YOU!

We appreciate your support with this and thank you for taking the time and effort to help us be able to continue to build school spirit!

From,
SCOER
